WORKFORCE WILL BE  
TECHNICAL STAFF**

**550** NEW JOBS  
CREATED  
THROUGH 2022

## Products Produk

## Precision power supplies and generators

## Possibilities Kemungkinan

The Association of Southeast Asian Nations (ASEAN) is on track to becoming the fourth largest market in the world by 2030.\*

*Our new Penang facility serves to diversify and expand our global footprint to better serve our customers and stakeholders near their locations. Given Southeast Asia's reputation for top technical talent and as an emerging hub of global innovation, opening a facility in the region simply make sense. Products coming out of the new facility are enabling the digital economy and the 4<sup>th</sup> Industrial Revolutions and we are excited to be investing in the region for the long-term.*

— **Neil Brinker**  
Executive Vice President  
and COO, Advanced Energy

Advanced Energy shapes and transforms how power is used, delivered, and managed by some of the world's leading semiconductor and industrial manufacturers. With deep applications know-how and responsive service and support, we build collaborative customer partnerships. Our solutions anticipate evolving industry developments, propel growth, and power the future of technology.
